Happy Twenty Ten!

2010 is slated to be another year of change. With the economy in its current state, it is **essential** that you take advantage of all tax changes and credits that will impact your 2009 return. These include Making Work Pay Credit, Energy Property Credit, Earned Income Credit changes, American Opportunity (education) Credit, Sales Tax deduction, Unemployment Exclusion, Home Buyer Credit, and the list goes on. We will determine how all these affect your return. Please see the worksheets 18 Miscellaneous Deductions and 19 Tax Law Changes for more information. Also the Schedule A could be replaced by Schedule L for larger deductions.

I have attended IRS tax seminars so that I can continue to give you the best service possible to maximize your return. I continue my professional relationship with Rick Krolak (The Clarion Group). I am also pleased to introduce **BookkeepMe**, that provides year-long bookkeeping and accounting services. This does **NOT** affect your tax preparation, which will continue to be done by me at P.A.M. Lesch Taxes & Accounting.

My website www.taxpam.com is very user-friendly. You can download all the worksheets that will be helpful in compiling all your year-end expenses. Tax season, as always, is a busy time for everyone. In the interest of your time & money, once you download & complete the worksheets you can **mail to me along with all your pertinent documentation** (W-2s, 1099s, Interest/Dividend Statements, and anything else indicated on the worksheets.)

I am requiring a deposit upon submission of your information - \$50 for individual and \$100 for small business. Payment in full is required prior to e-filing; payable by check or credit card.

Please contact me by phone or e-mail to let me know that your materials are on their way and if necessary provide your credit card information. PLEASE MAIL TO: **PAM Lesch, 3538 Stinson Blvd. NE, Mpls 55418**. Be sure to send with adequate postage and be aware that anything over 13 ounces needs to be weighed and mailed at a postal service window. I will let you know if you have forgotten anything or if we need to schedule an appointment. **Once your return is finished, I will contact you.**

If you don't have access to the internet, please contact me at 612-378-3070 and I will mail you all the worksheets and information you need to compile your year-end expenses.
